

## **Company Profile**

The Indiana Motor Truck Association (IMTA) is a non-profit trade association that has represented the interests of trucking since 1934. The association's roster of members includes companies that, through strength and vision, play important roles in the success of the trucking industry, both in Indiana and across the nation.

We currently have a full time opportunity that includes new membership development and program enhancement in both the membership and safety areas. This position has a base salary with commission. Benefits include company paid health, dental and life insurance. You have the opportunity to participate in our simple IRA plan with company match. We are located in downtown Indianapolis and offer free parking with close access to our office. We are focused on a positive work environment and a solid work-life balance. For more information about the IMTA, please go to [www.intrucking.org](http://www.intrucking.org).
